

Reoperative Surgery Pre-Submission Checklist

The following is basic information generally required for approval for reoperative surgery. Individual employer groups or insurance clinical policy bulletins may have additional requirements as well.

Core documents to be sent:

- Letter of medical necessity (LOMN)
- Surgeon's H&P
- Bariatric Nutrition Assessment (including any follow-up notes)
- Initial Psychological Assessment (including follow-up assessment if required at initial evaluation)
- Laboratory Evaluation (to include thyroid panel, Iron Panel, Vitamin levels, Pre-Albumin, Liver Panel)
- Sleep Study
- EGD
- Upper GI Series
- PCP Notes (letter of support – if required, pre-procedure medical weight loss notes)
